

How to...

Make a pair of Princely Epaulettes

Get the Disney Junior Look

What you need

- A paper cup
- Elastic
- Hole punch
- A pair of scissors
- Fringing
- Double sided sticky tape
- A grown up

Step 1

Step 2

Step 3

Extra Value

- Try cutting up an old t shirt instead to use as your fringing.
- Paint different patterns on to the paper cups to give your epaulettes a unique look!
- Remember to recycle any old paper cups.

Cut your paper cup in half lengthways – so you end up with two half cups that look the same. Ask a grown up to help with this.

At the top end, which is the widest part of the cup, punch a hole at each corner. Thread the elastic through and tie a knot.

Using the double sided tape, stick the fringing on. There you go – perfect princely epaulettes!
